

Cottonwood Celebrates 20 Years of Transit Service

On October 1st, the Cottonwood Area Transit Service (CATS) celebrated its 20th year of providing public transit service. CATS Director, Shirley Scott, welcomed city, county and state officials who attended the event to recognize the transit service growth and success in the community. CATS started with one special needs bus in 1987 and has grown to seven buses with a staff of 12 that provides over 47,000 passenger trips per year. CATS buses run from 7 a.m. to 7 p.m. and provide service throughout Cottonwood, Verde Village, Clarkdale, and Bridgeport. CATS also has a partnership with the Sedona RoadRunner trolley to provide a shuttle service between the two communities. CATS celebrated the day by providing a free 20-ride pass to every 20th person to board each of the buses that day.
